

A wide-angle photograph of the Golden Gate Bridge in San Francisco, California, taken during the "golden hour" of sunset. The bridge's iconic orange-red towers and suspension cables are silhouetted against a sky of soft oranges, yellows, and blues. The bridge spans across the dark blue waters of the San Francisco Bay. In the background, the city of San Francisco is visible on the hills, and the Transamerica Pyramid stands out on the right. The overall mood is romantic and scenic.
